All RFP Proposals shall be opened on:

February 27, 2018 at 2:01 P.M. in the
Director's Office
Dept. of Water and Sewer Utilities
920 Broad Street, Room B31-F
Newark, New Jersey 07102

Number of RFP Proposals to be sent:

One (1) Original and Five (5) copies and a PDF
of the Original e-mailed to the City e-mail address
above and to the PVWC e-mail address above

**All responses shall be addressed
and clearly marked to:**

Director's Office
Dept. of Water and Sewer Utilities
920 Broad Street, Room B31-F
Newark, New Jersey 07102
Tel.: (973) 733-6303

The RFP Proposal shall be delivered in an opaque sealed envelope which bears the name of the proposer of the RFP and clearly marked on the outside "**RFP FOR FEASIBILITY ASSESSMENT OF A JOINT DISTRIBUTION SYSTEM WATER STORAGE PROJECT-ATTN: ANDREA ADEBOWALE, DIRECTOR**".

The Joint Venture Partnership reserves the right to waive any and all formalities or altogether reject any RFP Proposal as is in the best interest of the Joint Venture Partnership. Award made, if any, under the Fair and Open Process shall be made to the vendor whose qualifications are most advantageous to the Joint Venture Partnership. Factors include but are not limited to experience and/or reputation in the field, knowledge of each agency and the subject matter to be addressed under the proposal and contract, compensation proposal and other factors if determined to be in the best interest of the Joint Venture Partnership.

All awards are subject to both the City's Municipal Council and the Passaic Valley Water Commission Approvals.

By order of the Department of Water and Sewer Utilities, City of Newark, New Jersey and the Passaic Valley Water Commission:

Andrea Adebowale, Director
Department of Water and Sewer Utilities, City of Newark

Joseph Bella, Executive Director
Passaic Valley Water Commission

Date of Public Notice: January 25, 2018
