Each participating Public Agency will be exclusively responsible and deal directly with Supplier on matters relating to length of agreement, ordering, delivery, inspection, acceptance, invoicing, and payment for products and services in accordance with the terms and conditions of the Master Agreement. Any disputes between a Participating Public Agency and Supplier will be resolved directly between them in accordance with and governed by the laws of the State in which the Participating Public Agency exists.

3. **Prices** Customer agrees to rent exclusively from Company, and Company agrees to provide to Customer, the Merchandise, inventory and services described on Exhibit A, "Merchandise & Pricing" at the prices set forth in Exhibit A. There will be a minimum charge of 50% of invoice per week for each Customer location required to purchase its rental services from Company as set forth in this Agreement.
4. **Buyback of Non-Standard Garments** Customer has ordered from Company a garment rental service requiring embroidered garments that may not be standard to Company's normal rental product line. Those non-standard products will be designated as such under-Garment Description in Exhibit C. In the event Customer deletes a non-standard product, alters the design of the non-standard product, fails to renew the Agreement, or terminates the Agreement for any reason other than documented quality of service reasons which are not cured, Customer agrees to buy back all remaining non-standard products allocated to Customer that the Company has in service and out of service at the then current Loss/Damage Replacement Values.
5. **Logo Mats** In the event that Customer decides to delete any mat bearing the Customer's logo (Logo Mat) from the rental program, changes the design of the Logo Mats, terminates this agreement for any reason or fails to renew this Agreement, the Customer will purchase at the time of deletion, design change or termination, all remaining Logo mats that the Company has in service and out of service held in inventory at the then current Loss/Damage Replacement Value.
6. **Adding Employees** Additional employees and Merchandise may be added to this Agreement at any time upon written or oral request by the Customer to the Company. Any such additional employees or Merchandise shall automatically become a part of and subject to the terms of this Agreement. If such employees are employed at a Customer location that is then participating under this Agreement, the Customer shall pay Company the one-time preparation fee indicated on Exhibit A. Customer shall not pay Company any one-time preparation fee for garments for employees included in the initial installation of a Customer location. There will be a one-time charge for name and/or company emblems when employees are added to the program in garments requiring emblems.
7. **Emblem Guarantee** Customer has requested that Company supply emblems designed exclusively for Customer featuring Customer's logo or other specific identification (hereinafter "Customer Emblems"). Company will maintain a sufficient quantity of Customer Emblems in inventory to provide for Customer's needs and maintain a low cost per emblem through quantity purchases.
8. **FRC Warranty:** Customer agrees it bears sole responsibility for selecting the flame-resistant clothing and fabrics ("FRC") under this Agreement determining whether such items are appropriate for use by its employees and agents in their applicable work environment(s). CUSTOMER ACKNOWLEDGES THAT COMPANY HAS MADE NO REPRESENTATION, WARRANTY, OR COVENANT WITH RESPECT TO THE FLAME-RESISTANT QUALITIES OR OTHER CHARACTERISTICS OF THE FRC OR WITH RESPECT TO THEIR FITNESS OR SUITABILITY FOR THIS OR ANY OTHER PURPOSE. COMPANY MAKES NO REPRESENTATION WHETHER THE FRC CONSTITUTES APPROPRIATE PERSONAL PROTECTIVE EQUIPMENT FOR THE ENVIRONMENT(S) TO WHICH CUSTOMER'S EMPLOYEES OR AGENTS MAY BE EXPOSED OR AS TO THE FRC'S ABILITY TO PROTECT USERS FROM INJURY OR DEATH. Customer agrees to notify all employees and other agents of Customer who may wear or will be wearing the FRC that it is not designed for substantial heat exposure or for use around open flames. Customer acknowledges that compliance with any and all OSHA or other similar regulations or requirements relating to personal protective equipment is the sole responsibility of Customer. Further, Customer releases Company from any and all liability that results or may result from the use of the garments, including but not limited to any alleged failure of the FRC to function as flame-resistant or provide protection against fire and/or heat. Customer hereby agrees to defend, indemnify and hold harmless Company from any claims and damages arising out of or associated with this Agreement or resulting from Customer's or its employees' use of the FRC.
9. **High Visibility Garments:** For high visibility garments, Customer bears sole responsibility for: (a) determining the level of visibility needed by wearers of the garments for their specific work conditions or uses; (b) identifying and selecting which garments meet the required level of visibility for any particular work conditions or uses; and (c) determining when garments require repair or replacement to meet the required level of visibility. If garment needs to be replaced outside of normal wear and tear, the customer will be charged the then current replacement value. Customer acknowledges and understands that the garments alone do not ensure visibility of the wearer. Customer further acknowledges that Company is relying upon Customer to determine whether any garments need repair or replacement to maintain the required level of visibility. Company represents only that the garments supplied satisfy certain ANSI/ISEA standards to the extent the garments are so labeled. Customer acknowledges that Company has made no other representations, covenants or warranties whether express or implied, related to the garments.

10. In the event Customer decides to discontinue the use of Customer Emblems, changes the design of the Customer Emblems, terminates this Agreement for any reason or fails to renew this Agreement, the Customer will purchase at the time of deletion, design change, termination or expiration, all remaining Customer Emblems that the Company allocated to Customer at the price indicated on Exhibit A of this Agreement. In no event shall the number of Customer Emblems allocated to Customer exceed the greater of (a) twelve (12) months' volume for each unique Customer Emblem or (b) a quantity agreed to by Company and Customer and noted on Exhibit A.
11. **Terminating Employees** Subject to the provisions of this Agreement, the weekly rental charge attributable to any individual leaving the employ of the Customer, or on a temporary leave of absence of three (3) weeks or more, shall be terminated upon oral or written notice by the Customer to the Company but only after all garments issued to that individual, or value of same at the then current Loss/Damage Replacement Values, are returned to Company.
12. **Replacement** In the event any Merchandise is lost, stolen or is not returned to Company, or is destroyed or damaged by fire, welding damage, acid, paint, ink, chemicals, neglect or otherwise, the Customer agrees to pay for said Merchandise at the then current Loss/Damage Replacement Values.
13. **Indemnification** To the fullest extent permitted by law, Company agrees to defend, indemnify, pay on behalf of and save harmless the Participating Public Agency, its elected and appointed officials, agents, employees and authorized volunteers against any and all claims, liability, demands, suits or loss, including reasonable attorneys' fees and all other costs connected therewith, arising out of or connected to the services provided by Company under this Contract, but only to the extent of Company's negligence.
14. **Additional Items:** Additional customer employees, products and services may be added to this agreement and shall automatically become a part of and subject to the terms hereof and all of its provisions. If this agreement is terminated early for convenience, the parties agree that the damages sustained by Company will be substantial and difficult to ascertain. Therefore, if this agreement is terminated by Customer prior to the applicable expiration date for any reason other than documented quality of service reasons which are not cured, or terminated by Company for non-payment by Customer at any time Customer will pay to Company, as termination charges and not as a penalty based upon the following schedule:

If this agreement is cancelled for convenience in the first twelve months of the term, Customer shall pay as termination charges equal to 50 weeks of rental service.

If this agreement is cancelled for convenience in months thirteen (13) through eighteen (18) of the term, Customer shall pay as termination charges equal to 36 weeks of rental service.

If this agreement is cancelled for convenience in months nineteen (19) through twenty-four (24) of the term, Customer shall pay as termination charges equal to 23 weeks of rental service.

If this agreement is cancelled for convenience after 24 months of service, Customer shall pay as termination charges of 10 weeks of rental service.

Customer shall also be responsible to return all of the Merchandise allocated to such Customer locations terminating this Agreement at the then current Loss/Damage Replacement Values and for any unpaid charges on Customer's account prior to termination.

RE: **Omnia Cooperative Pricing Agreement Contract R-BB-19002
Uniform Rental**

I am recommending that PVWC enter into a 3-Year Agreement with Cintas to provide uniform rental and laundry services. PVWC provides uniforms to our employees in the Maintenance Department, Pump Station, Security, Distribution Department, Engineering Department, Purification Department and in the Laboratory.

Cintas is a member of the Omnia Cooperative Pricing Agreement, Contract R-BB-19002. As such, this allows PVWC to procure uniforms that suit our specific needs. Cintas provides a high-quality uniform and full replacement of these uniforms, every six-months ensuring that our employees properly represent PVWC's brand as we strive for excellence.

Cintas will provide weekly laundering and delivery of uniforms to the departments named above. They will also be providing the proper number of uniforms depending on each employees work schedule, something that was not done in the past.

Cintas will also be providing clothing items that are not available for rental and must be purchased. This is consistent with our past contract for uniforms with the addition of safety vests for all personnel in the above-referenced departments.

Cintas provides a web portal for Supervisors to access to make any changes they may require, such as adding or deleting employees. This will be an important change in our operations as we currently have employees that have been employed at PVWC for several months and who do not have uniforms and communications with our prior uniform provider were poor. The web portal will allow are needs to be met quickly, which I feel is a great advantage to the employees of PVWC. At present, 153 employees will be provided with Uniforms, however, with the addition or deletion of employees, the annual cost will vary.

The State Contract purchase will be from **Cintas** of Ledgewood, NJ. The Total Cost for the rental of uniforms for 153 employees for a period of three (3) years is **\$499,210.46**. Below please find the chart that outlines in detail the costs covered under this fee.
